Sourcing Skills

Resume Writing

Knowledge of Industry

- Working Culture / Working Environment
 - Dresscode/Attire Requirements
 - Company Team Dynamics
- Understanding Industry Needs
 - Job Roles and Responsibilities

Lessons

- More experience in finding job is better
- Diversify job search
- Rejection is an opportunity to learn from mistakes
- Recruiters are looking for specific skills and interests
- One needs adequate skills to fit into the job.

Decision Problems

- Find a job VS Further study
- Soft skills VS Hard skills
- Energy VS Time VS Mental Health
- School work VS Job related skills
- Be a Slacker vs Be a Hustler
- Go for additional workshops vs just learn from school
- Network vs Be a Hermit
- Hang out with Friends vs Hang out with recruiters

Smelly fish

Wrong Job decision

- Bad time management
- Lack of necessary skills

Poor social skills

- Poor Networking
